'DARE TO DREAM'

FOREWORD

It gives me great pleasure to be able to bring out the Second Edition of the Annual Magazine of the National Service Scheme (NSS), Shillong College, Shillong. The idea of bringing this Magazine is to provide a platform for our student volunteers as well as every stake holder to share their experiences in their association with the NSS which in the process of community participation through its various activities undertaken has brought the institution closer to the society and to understand its problems and find out the solution to these problems being faced by the society. The NSS Shillong College was started way back in the year 1972 and has grown from strength to strength over the years. At present the Shillong College Unit of the NSS has an enrolment strength of nearly 2,000 volunteers both of the Higher Secondary Section and Degree Level with 6 Programme Officers (4 from the Under Graduate Level and 2 from the Higher Secondary Section).

NSS conducts wide range of activities right from literacy programmes, environment protection programmes, health and hygiene, HIV/AIDS awareness, drug addiction & alcoholism, disaster management, blood donations, academic & literary programmes like quiz, debates, drawing/painting and slogan competitions on various issues, trekking and adventure programmes.

One of the most important activities of the NSS Unit is the Special Camping Programmes which are conducted from time to time in the adopted villages of the Unit. The Unit has adopted Smit, Mawlynggot, Laitkseh, Nongpathaw, Nongmadan, Nongtyngur, Umroh and Umphrup as adopted villages and programmes are being conducted in these villages from time to time. During Special Camps in these adopted villages, apart from social activities, community assets are constructed in these villages with active labour participation of volunteers. These assets have bring a small and yet a visible changes in the lives of residents of these villages.

Another very important programme which is being conducted by the Unit from time to time is the Blood Donation Camps. In the past five years regular Blood Donation Camps were organised in the college in collaboration with the Regional Blood Bank of Pasteur Institute and altogether about 200 volunteers have voluntarily donated blood for the needy patients. The College NSS Unit has also been awarded with a certificate of recognition by the state health department of the government and the Meghalaya AIDS Control Society which is the nodal agency of the state.

Another very important programme conducted by the NSS Unit of the college is the Skill Development Training Programme. NSS not only shapes and develops the personality of a student but also equips the student with skills and professionalism in various fields by tapping their potentials and talents. Many student volunteers were given trainings in some reputed

training institutes in various trades of their interest and these trainings were fully sponsored by the NSS. The Training Institutes that have tied up with the NSS Unit of the college are the Don Bosco Technical School for Technical Trainings in the field of Mobile Repairing, Computer Hardware Course, Basic Electrical Appliances, Bakery, Beautician, DTP, Stenography & Shorthand Course, Film Making and Photography. The Don Bosco Youth Centre has been tied up for some courses on Fashion Designing, Dress Making and Computer Courses. The Rural Resources Training Centre (RRTC) Umran, is a collaborative institute for Candle Making, Fast Food Technology and Mushroom Cultivation. The Institute of Hotel Management and Catering Technology has been tied up for trainings on Food Processing, Food Technology and Hospitality Management. Altogether 30 student volunteers were selected to undergo trainings in various fields fully sponsored by the NSS in the above institutes. Some student volunteers have also started up their own enterprises after completion of their trainings. The Unit has also sponsored trainees selected from economically backward family from the adopted villages of Smit, Nongpathaw and Nongtyngur after considering the type of trainings and the employability factor of these trainings in their respective villages.

Volunteers of the College NSS Unit, have represented the college in programmes both in and outside the country. One volunteer of the College has represented the country as Youth Delegation to China. 4 volunteers have represented the college at the Republic Day Parade in New Delhi and 5 volunteers of the college were awarded with the prestigious Indira Gandhi National NSS Awards. 4 Programme Officers of the College were awarded with the University Level Best NSS Awards and 8 student volunteers were also awarded with the University Level Best Volunteer Awards. The College was also a recipient of the University Level Best Unit Award. Volunteers of the college Unit along with Programme Officers have participated in various National Integration Camps, Mega Camps, NSS Festivals and Adventure Camps conducted in different parts of the country.

Our achievements and successes would not have been possible without the support of these members of which words will be too little to express. The NSS Unit of the College, however would like to express its deepest gratitude and appreciation to Dr. K.D. Ramsiej Principal of the College for his unstinted support and guidance in all activities and efforts taken by the Unit towards fulfilling its aim and objectives of the NSS. Our appreciation also goes to Dr. M. Dey Vice Principal, Prof. L.P. Shadap, Prof. V.R Solomon, Dr. R. Dkhar, Prof. D. Syiem, and all Members of the College NSS Advisory Committee. Our sincerest thanks and appreciations to Prof. L. Pariat, Dr. E. Kharkongor, Dr. M. B. Lynser for being associated with the NSS as Resource Persons and Mentors in every programmes of the Unit conducted from time to time. Our thanks also goes to the Office staffs of the NSS Cell NEHU, Kong Janet, Kong Rosa Kharkongor, Bahhep, Bahlung and Programme Coordinator Sir. L. Kma for their relentless help and support in all our activities. Last but not the least, our sincerest appreciations and gratitudes goes to all the VOLUNTEERS of the NSS who had been always with us and are the pillars of strength of the Unit in all its successful endeavours in reaching out to the community.

‘DARE TO DREAM’ is the theme of this year’s annual magazine as this reflects the very true essence of the NSS. It embraces the main objectives of the NSS in which every member of the Unit dare to dream and their dreams are being realized through their participation and active involvement in the activities of the NSS.
